

SUCCESSFUL ACQUISITION FOR NCA ENTREPRENEUR MIKE HINDI

Baar, 17 August 2022 – Novastone Capital Advisors (NCA) is proud to announce the third acquisition in our Entrepreneurship Through Acquisition (ETA) program. Our mission at NCA is to enable ETA in Europe and North America, while focusing on mutual benefit and growth for all of our stakeholders. This acquisition proves our program is successful and further highlights NCA Entrepreneurs as ideally positioned to find, acquire, and grow companies backed by the support, structure, and know-how offered by the NCA team.

STRENGTH IN UNITY (*l'union fait la force*)

Mike Hindi joined NCA's ETA program as an experienced leader in business transformation, with a specialization in post-merger restructuring and integration. After a 15-month search and acquisition process, Mike officially closed his deal in July 2022, becoming a Co-Owner of Green Logistics Groningen, an end-to-end logistics service provider based in the Netherlands.

"I'm very excited to join the Green Logistics family," explained Mike. "I'm looking forward to working with the existing general manager and the rest of the team, who have been doing a fantastic job, as we continue to adhere to the company's core values of trust, integrity, and long-term sustainable partnerships moving forward together."

"As a people-person and a globally minded leader, I am a strong believer of *l'union fait la force* (strength in unity)," Mike continued. "That's why the ETA journey with NCA was a perfect fit for me, as NCA's expertise complimented my personal experience in post-acquisition value creation."

ALIGNED INTERESTS

At NCA, we know from our own experience what it takes to set up and run a successful business. Our ETA program is powered by a highly specialized team of experts who make the NCA Entrepreneur's journey through search, acquisition, and value creation as seamless and as successful as possible. As co-investors in each acquisition under our program, we are deeply committed to the success of every one of our NCA Entrepreneurs and their companies.

Mike's successful acquisition also further reinforces our belief in ETA as a unique way of addressing succession challenges facing SMEs, who are the backbone of our economy. NCA's Entrepreneurship Through Acquisition program ensures business legacy and continuity for SMEs on a global scale, as all stakeholders share aligned interests and a commitment to long-term success. We are thrilled to congratulate Mike on this acquisition and look forward to continuing to support him and the Green Logistics family.
